Hi Katie,

Attached is the parking permit for June 14, 2016. The meeting will take place in the Garden Room of our Cafeteria, same location as last time. The closest place to park will be either the Olive street parking structure or the F-Lot Roof top parking.

The set-up is the U Shape for 24, just in case a few more than 15 show up. I think last time we had close to 24 attend.

Let me know if you need any additional information.

I will send out July parking once I know where meeting will be held, we may change location to another room on campus.

Thank you so much for following up. [REDACTED] said we do could both June and July at LATTTC, so that would be June 14th at 12pm and July 12th at 12pm. Both meetings we expect about 15 people. Let me know if you have any other questions and if you could let me know where parking will be for board members I can let them know with meeting invite.

Thanks,  
Katie
